Teacher positions is due to the lack of certified staff to fill them. She said that sheltered instruction is a strategy that is not acceptable for the Global Academy.

Ms. Naomi Johnson-Lafleur, TEA, spoke about school leadership in the District. She stated that strong instructional leaders are needed in the schools. Ms. Johnson-Lafleur expressed concern with leadership at the Global Academy. She asked the Board to consider the best interests of the students.

Ms. Daniels-Lane acknowledged Teacher Appreciation Week, stating that the efforts of Teachers are appreciated. She also asked for follow-up with Ms. Gonzalez regarding the situation with her children.

**BOARD DISCUSSION & ACTION ON CONSENT AGENDA**

**Superintendent's Recommendations:**

Human Resources

Ms. Daniels-Lane expressed concern with staffing for the Global Academy, and she asked if positions are being advertised, what is being done, etc. Mr. James Rolle, Esq., General Counsel and Labor Officer, responded that Yes, positions are being advertised. He said that there is a statewide shortage of dually-certificated Bilingual and content area Teachers. Mr. Rolle stated that sheltered instruction is a strategy approved by the Department of Education for districts that are not able to find dually-certificated Teachers. He said that some of the planned 45 Teachers for the Global Academy will be utilizing sheltered instruction. Ms. Daniels-Lane also asked for clarity on the nine Creation and Abolishment of Positions on the Addendum. Mr. Rolle answered that the Teachers are already working in the District, using the sheltered instruction strategy.

Ms. Vandenberg shared Ms. Daniels-Lane's concerns. Mr. Rolle stated the Teachers in question are instructing Bilingual students using sheltered instruction elsewhere in the District, but they cannot be appointed as Bilingual Teachers at the Global Academy because they do not have the certification.

Ms. Kwesseu asked if Administration can work with TEA on a strategy to have a path for dual certification in District. Mr. Rolle said the County office has always been aware of the shortage of dually-certified Teachers, and the premise of the Global Academy was built on the strong possibility of not finding 45 dually-certified Teachers. Ms. Daniels-Lane asked how many current Teachers hold the dual certificate, and Mr. Rolle believed it was only one. He said that most of the dual certifications in the District are held in the elementary grades, and that it is extremely difficult to find middle grade Bilingual and content area dual certifications.

SPECIAL MEETING MINUTES  
Monday – May 6, 2019 – 8:00 A.M.**

Ms. Marrero-Lopez asked how many positions have been filled for the Global Academy, and how many are vacant. Mr. Rolle believed that on today’s agenda, 21 positions have been filled. He said the search has been widened and that confidence is strong for the remainder of the positions to be filled with content area Teachers using sheltered instruction.

Ms. Daniels-Lane asked if there is a current advertisement for Bilingual Math Teachers and Bilingual Science Teachers. Mr. Rolle said Yes, this has been ongoing throughout the year. The Superintendent added that there is a well-documented statewide shortage of dually-certified Bilingual Teachers due to an influx of 18,000 Bilingual students into New Jersey over the past eight years. He said the District has been planning with the County office on how best to provide the needed level of service to these students given the shortage of Bilingual Teachers. Dr. McDowell said the District will continue to pursue the hiring of dually-certified Bilingual Teachers, but a secondary option must be in place to move forward with the Global Academy.

After a concentrated discussion on staffing, Ms. Daniels-Lane stated her view that follow-up is needed to address the issues and serve the students. Ms. Vandenberg felt that more than simply advertising the positions is needed, such as a pipeline to dual certification. She said that a better plan is needed, along with a public presentation prior to the Board voting on any new programs. Ms. Kwesseu agreed that a better strategy is needed.

Motion was made by Ms. Vandenberg and properly seconded to approve the Consent Agenda. The Consent Agenda was **approved** by all Board Members present.
