Trenton Board of Education Announces Selection of Ronald Lee as Interim Superintendent of Schools

FOR IMMEDIATE RELEASE

August 27, 2019

Trenton - The Trenton Board of Education is pleased to announce the appointment of Ronald Lee as the Interim Superintendent of Schools, effective August 31. Mr. Lee comes to Trenton from the Orange School District, where he served as Superintendent for seven years, and then returned as Interim Superintendent for an additional two years through June 2019. Prior to his work in Orange, Mr. Lee served for over 15 years as a Business Administrator in the Orange School District and Newark Public Schools.

“The Trenton Board of Education is eager to begin the transition process with Mr. Lee,” said Addie Daniels-Lane, Board President. “With the new school year for students just two short weeks away, we have work that still needs to be done, Mr. Lee is aware that he has to come ready.”

Mr. Lee’s appointment is subject to the approval of an employment contract by the Executive County Superintendent.

We ask that the Trenton community joins us in extending a warm welcome to Mr. Ronald Lee as we continue our journey toward preparing all of our students to be successful in their choice of college or career.
