RECOMMENDATIONS

Time4Learning online PreK-12th grade curriculum uses short, animated lessons to engage younger students, and a lecture format for older students. **Students log in on their own schedule to learn anywhere and anytime**. Most families find that **Time4Learning only takes a few hours each day**.

Our standards-based curriculum aligns with most schools. Covering **language arts, math, social studies, and science**, we provide a solid educational foundation and flexible tools to empower students to progress at their own pace. With Time4Learning, you'll have the resources and support you need to ensure a successful homeschooling journey.
