New Jersey Sunshine Law - Read by Board President Bouie

The New Jersey Public Meetings Law was enacted to ensure the right to the public to have advanced notice of and to attend the meetings of public bodies at which any business affecting their interest is discussed or acted on.

On the rules of this act, the Trenton Board of Education has caused notice of this meeting by publicizing the date, time and place, therefore posted in the Central Services Building, 108 North Clinton Avenue, City Clerk's Office, City Hall and the Times. Anyone whose name is on the mailing list should receive a notice.

Formal action will take place at this meeting.

Adoption Of Agenda

President Bouie advised of the following changes to this morning's agenda:

1. Item b – Retirements should be Pamela Frankel, not Paula Frankel
2. Item c – Terminations should read 7/1/17 instead of 7/1/16
3. Item d – Termination should read 7/1/17 instead of 7/1/16
4. Item e – Reappointments – Attachment 2:

SPECIAL MEETING MINUTES
Tuesday – May 9, 2017 – 8:00 a.m.

- a. Christine Clark should be a Literacy Leader at Franklin, not Special Education Teacher at Hedgepeth/Williams
- b. All Teachers assigned to TCHS-Chambers with an SLC indicated should read “TCHS-Chambers.”

Motion was made by Dr. Graham and seconded by Ms. Gussin to adopt the agenda with the above-listed changes. Agenda was adopted by all Board Members present.

PUBLIC PARTICIPATION

Ms. Jonette Smart, President of the NAACP Trenton Branch, expressed concern about the layoffs of Teachers and Paraprofessionals. She stated the community was told there would be no layoffs this year. She said the reduction in staff has a great effect on students.

BOARD DISCUSSION ON CONSENT AGENDA

Dr. Graham addressed Ms. Smart’s comments, stating that what looks like layoffs on paper may not actually be so. He encouraged Ms. Smart to have discussions with the Board President and Superintendent. He stated that the reductions have to do with falling enrollment levels, and a lot of things come into play in that situation. Dr. Graham ventured that, after retirements and other reductions take place, there will probably be no layoffs.

Mr. Truehart said he is confused, that he was under the impression there would be no layoffs at all. He asked for an explanation on the ramifications of the layoffs and how they came to be.

Superintendent Ribon said that the layoffs are not based on funding or the Budget; rather, they are all tied to enrollment. He stated that one particular situation was a decision made at the school level to have one position in place of another that is being reduced. The Superintendent said it is anticipated that some positions will be available between now and the end of the school year; and it is hoped that most of the staff being reduced due to enrollment reasons will be returning.

Ms. Lissa Johnson, Assistant Superintendent of Talent Acquisition & Development, said that any employees impacted by the April 24 Board agenda have met with her and their union representatives. These employees have been provided with a Reduction in Force (RIF) letter, information on benefits, COBRA, etc. The recall process has been discussed

with these employees. Ms. Johnson stated that 11 Teachers have been RIF'd and one has since been called back. The original RIF'd positions are seven Elementary Teachers, one Sheltered Language Arts, one Language Arts, one World Language and one Special Education Teacher. If a resignation or retirement of a Special Education Teacher does not occur prior to the end of the school year, there is one coming up effective October 1. Employees on the Reappointment Lists today will receive contracts on May 10. Those being non-renewed have also had meetings and will receive their letters following today's meeting.

Regarding the Paraprofessionals, Ms. Johnson said there were five Para positions eliminated at the April 24 meeting, along with two Parent Liaisons, two Kindergarten classrooms and one Bilingual Kindergarten classroom. These were all as a result of reductions in enrollment. Ms. Johnson stated that bumping rights were exercised, and she is not as confident that the affected individuals will be recalled since there is not a sure sense of retirements, resignations, etc. in the near future.

Dr. Graham wished to make it clear to the public that the RIF is due to decreasing enrollment numbers, not due to the Budget. President Bouie also advised that \$40 million of next year's Budget is going to charter schools. He said the charge moving forward is to reduce the number of students leaving for charter schools.

BOARD ACTION ON CONSENT AGENDA

Talent Acquisition and Development Recommendations/Reappointments/Reassignments (Attachment)

Motion was made by Dr. Graham and seconded by Ms. Vandenberg to approve the Consent Agenda. With five (5) Yes votes and one (1) Abstention, the Consent Agenda was **approved**.
