**SUPERINTENDENT’S REMARKS**

Superintendent Lee stated there are currently 16 vacancies, which equates to 1.5%. He commended Human Resources and Administrators who are diligently interviewing and filling the positions. He stated students will sign in remotely starting September 10. Teachers will return on September 1 for professional development. He said the only difference between this year’s Day 1 and pre-Covid Day 1 is that students will be taught remotely.

Superintendent Lee also discussed the procedure for providing student meals. He outlined the professional development offerings for Teachers, which will ensure they are comfortable teaching remotely. Workshops will be provided for parents to enable them to help their students during this time of virtual learning. The projected date for returning to the classroom is January 4, 2021.

Lastly, the Superintendent advised that all fall sports are cancelled due to Covid conditions in the Trenton area. He stated this was a very difficult decision to make. He expressed hope that there will be opportunities for students in the spring season.

Ms. Weakliem asked if all new students will be provided with a Chromebook, and the Superintendent responded Yes.

Ms. Marrero-Lopez asked the Superintendent to reiterate the process for registration. The Superintendent said paper packets can be obtained from the schools, central office or the website. He stated he will contact the schools regarding communication with parents.

***Operations***

Mr. Bouie advised that the committee went over the Finance Recommendations. He acknowledged generous donations from the Trenton Literacy Foundation and Capital Health Medical Center. He called the Board's attention to Finance Recommendation A and advised that the reason for the large transfer was due to receiving a late invoice for OT/PT student services from Monmouth-Ocean Educational Services Commission. He also commended the offering of the free program referenced in Recommendation L.

***Human Resources***

Ms. Marrero-Lopez stated the Superintendent fully covered this area in his remarks.

***Policy***

Mr. Truehart stated there are three policies for a first reading on tonight's agenda. He said he is very appreciative that the Policy Committee and Administrative staff worked very hard on the Wellness Policy. **BOARD MEETING MINUTES**  
**Monday – August 24, 2020 – 5:30 p.m.**

**PUBLIC PARTICIPATION**

Ms. Lisa Pulliam, Special Ed Teacher, felt there are inequities in how attendance is being handled for Special Ed students versus General Ed. She asked for smaller class sizes for Special Ed students to meet social distancing requirements.

Ms. Melissa Powell, Secretary, asked that the names of Columbus and Wilson Elementary Schools be changed due to concerns of the Black Lives Matter movement. She also felt that the Curriculum should be changed to highlight Black and Brown persons who have contributed to history.

Ms. Michelle Marazzo, Kindergarten Teacher, expressed concern about communication with parents regarding the reopening plan. She stated parents have not received new schedules, and the issue of schedules is not readily visible in the plan (page 27). She also felt there is not enough down time in the schedule for elementary and middle school students, and not enough live virtual interaction for the high school students with their Teachers. She felt there should be equity in the instructional time since all Teachers are on the same salary guide. She also stated there has not been enough communication with staff on the change in start time and on expectations to be met.

Dr. John Guindon, Co-chair for the Trenton Education Association (TEA) Negotiations Team, spoke in general terms on the bargaining association's negotiation sessions with the Board. He stated that the Board is negotiating as if there is no pandemic, and he felt that the Board wishes to document items that could supersede the TEA contract after the pandemic is over. Mr. Guindon stated that the association is merely looking out for the health and safety of their members and students.

Ms. Sandy Jimenez, Art Teacher and Member of the TEA Negotiations Team, expressed concern about proposed in-person Kindergarten orientations. She felt that social distancing cannot be practiced at these events.

TEA President Ms. Talithea Duncan asked that the procedure for virtual public participation be communicated to Teachers to eliminate any confusion. She also felt that 10 ½ month staff should have been advised earlier than the Friday prior that they would be required to report in person on Monday. She stated if the buildings are not safe enough for students, they are not safe enough for staff. Lastly, she felt that the Board is not negotiating in good faith on a sidebar agreement during the pandemic.

Ms. Naomi Johnson-Lafleur, TEA Negotiations Chair, also expressed concern about negotiations issues during the pandemic. She discussed the legality of sick banks. She also stated that Policy 1649 is a misinterpretation of State law. She asked the Board to set aside both Policy 1649 and Policy 1648, and she said the New Jersey Education Association will be working on the State level to rectify this. Lastly, she asked the Board to bargain in good faith.

**BOARD MEETING MINUTES**  
**Monday – August 24, 2020 – 5:30 p.m.**

TEA Grievance Chair Ms. Janice Williams expressed concern about the dual platform format of the virtual meetings. She stated that every other district in Mercer County is using just one platform. She also thanked Mr. Llano for recognizing Teachers as being the reason for the success of virtual learning. She stated that Teachers frequently go beyond their scope of duties. Ms. Williams expressed concern about requests from Principals for “chats” with Teachers, and for participation in Kindergarten Orientations, without compensation.

Trenton Educational Secretaries Association (TESA) President Ms. Judy Martinez felt she was misquoted in the July 20 meeting minutes. She also recalled the conversation at the July 30 meeting regarding docking of secretaries’ pay. She asked who in Human Resources is responsible for deciding that secretaries’ pay should be docked, because the secretaries in question did inform their supervisors that they would be leaving the building due to safety procedures not being in place and would be working at home. She said that secretaries have been working at home due to health restrictions regarding Covid 19 and under recommendations from their doctors. She also advised that these secretaries are still waiting for their 504 accommodations. Lastly, Ms. Martinez stated that 12-month employees received notices and phone calls to continue working from home on August 4, when the district was closed due to inclement weather and the Governor declared a state of emergency. She stated this was a violation of TESA’s contract. She also said that Administration has not responded to TESA’s requests to bargain over health and safety issues. She thanked the Board for listening and following up on public concerns.

Ms. Marizol Tirado, TESA Vice President, asked that secretaries have the proper technology equipment to work remotely. She also called the Board’s attention to Item B on the Human Resources agenda. She stated that when a secretarial position is created, the agenda must indicate the exact location of the position; she asked that the item be pulled. She also said that *Bilingual Secretary* is not a recognized title in the TESA contract. Ms. Tirado said that other bargaining units are consulted on the creation and abolishment of positions in their unit, and that the Board will ask that the positions be pulled until the issue is resolved. She said TESA leadership is not consulted regarding the creation and abolishment of positions, and they frequently experience discriminatory practices that other units do not. Ms. Tirado said there has been a vacant secretarial position for quite some time at Daylight/Twilight, and there was an individual on the callback list when the position first became vacant. She stated this individual received notice in writing from Human Resources asking her to call; but despite leaving numerous messages, the HR department never returned her call. She spoke about health and safety conditions in the buildings during the pandemic. Lastly, she asked if the BCS Safety and Security Protocols on the District website under Students and Families/Resources are still in place.

**BOARD MEMBER COMMENTS**

Ms. McKnight addressed the public comment regarding communications with parents regarding schedules. She asked if the District could reach out in a direct way, such as a letter. Superintendent Lee said the hybrid schedules are being worked on, and he will also speak to the Special Ed department regarding class size.

**BOARD MEETING MINUTES**  
**Monday – August 24, 2020 – 5:30 p.m.**

Referring to the policy on changing the names of facilities, the Superintendent advised that the District will work on arranging a forum to collaborate with the community to rename some schools.

Mr. Lee said a District-wide communication will be sent out on schedules for students. Additionally, a document is being drafted which will advise that Teachers are being given the option of teaching remotely either in the classroom or at home.

President Daniels-Lane advised that the policy on changing names of facilities has been revised, and there are regulations that must be followed. Please refer to Policy and Regulation 7250 on the District website. Mr. Truehart stated that the policy is on the agenda for the upcoming virtual meeting of the Policy Committee. Members will ensure they are thoroughly familiar with all the procedures involved.

Ms. Marrero-Lopez wished to clarify that Webex is the platform for conducting virtual Board meetings; additionally, the meetings are streamed live on Facebook. She asked the District to address the issue of public participants not being able to hear the meeting while they are in the holding area of Webex. President Daniels-Lane made a note of such.

Mr. Truehart also advised that there is still room for revision to both Policy 1648 and 1649 since they are on tonight's agenda for a first reading. Ms. Marrero-Lopez felt that both policies should be pulled from tonight's agenda.

Ms. Weakliem stated that the District needs to ensure total communication with parents, both in writing and via phone.

Ms. Williams asked if a note could be made for the Curriculum Committee to address in its next meeting the public comment regarding a more inclusive curriculum. Ms. Daniels-Lane stated that the Chief Academic Officer has made a note of this. She also advised that the present curriculum is online.

Mr. Bouie felt strongly that the District should move to service levels to ensure prompt response to parents and families.

President Daniels-Lane asked for a motion to pull Policy 1648 and Policy 1649 from tonight's agenda. A concentrated discussion ensued between the Board and General Counsel James Rolle, Jr.

Motion was made by Ms. Marrero-Lopez and seconded by Ms. Weakliem to **PULL** Policy 1648 and Policy 1649 from tonight's agenda. The motion was **approved** with five (5) Yes votes, one (1) No vote and two (2) Absent.

*Response to Public Participation Concerns from 7/30/20 Meeting*

President Daniels-Lane advised that some items were addressed earlier in the meeting. She recalled the past public comment regarding registration; and she wished to verify that online registration has been suspended temporarily, and in-person registration is being taken at the schools. The Superintendent responded Yes. Mr. Truehart stated this issue needs to be resolved as quickly as possible since he is hearing its effects on the community. The Superintendent thanked Board Members for passing comments on to him. Ms. Marrero-Lopez asked that the online comments during the meeting livestream be addressed also.

President Daniels-Lane recalled the public comment regarding the process for participating in the virtual Board meetings. She suggested that individuals wishing to comment sign up online through the District website to ensure they can participate. The Superintendent stated he will follow up with the Network Coordinator. Ms. Marrero-Lopez reiterated the need for Spanish translation.

Regarding the public comment about Parent Liaisons at Harrison School, the Principal addressed the concern; and this was indicated on the updated Issues Log sent to Board Members.
